

ALISA TELETović

Alisa Teletović , 1974, born in Bosnia and Hercegovina. At the age of 18 In 1993 she fees the war and settles as refugee in Austria then Australia. In Australia she completed Bachelor of Arts at RMIT University in Melbourne and the Advanced Diploma in Electronics design and Interactive Media. Alisa built her life and art career over 17teen years in Australia, but then in 2011, returns home with her family to Bosnia and Hercegovina. Alisa s work is expressive figurative art that deals with her own life story searching for identity belonging through intuitive journey. Receiver of awards and acknowledgments, Alisa is entering into new mature stage in her art career.
